

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

STACIA STINER, et al.,

Plaintiffs,

v.

BROOKDALE SENIOR LIVING, INC., et
al.,

Defendants.

Case No. [17-cv-03962-HSG](#)

**ORDER REGARDING MOTIONS TO
SEAL**

The parties have filed voluminous administrative motions to seal in this case. To streamline the Court's review of these motions, the Court **DIRECTS** the parties to meet and confer and file a single administrative motion to seal and proposed order that consolidates all motions to seal that remain pending and that satisfy Civil L.R. 79-5. The combined motion to seal should clearly identify the docket numbers of the prior motions to seal that are superseded by the combined motion. The parties should also clearly identify the docket numbers of any prior motions to seal that should be denied as moot.

The proposed order shall include a table that indicates for each item sought to be sealed: (1) the docket numbers of the public and provisionally sealed versions of documents sought to be filed under seal; (2) the name of the document; (3) the specific portion(s) of the document sought to be filed under seal; (4) the filer's comprehensive and specific reasons for seeking sealing of the material, along with citations to the relevant declarations and any supporting legal authority; and (5) whether the request for sealing is opposed.

IT IS SO ORDERED.
